ACCOMPLISHMENTS

- Short Film 'Gêm Gariad' won award at the Wicked Wales International Youth Film Festival 2021

Creative professional with a background in the arts and music. I have come to filmmaking with a personal approach to storytelling and expression that incorporates my past experiences into the Welsh landscape where I live. I have a passion for deeply human stories that explore interesting characters and relationships. I have made a number of music videos, and short films that highlight the Welsh scenery and local talents.
